TEXAS TRAILS COUNCIL

Sailing Academy

June 24-28, 2019

Our Sailing Academy is where it's at. The Texas Trails Council BSA takes pride in its **New** sailing summer camp. Beginning sailors learn a huge volume in a very short time. Students' progress from never having seen a sailboat, to sailing it by themselves by week's end. Join this classic water sport at any level; and if you put your mind and effort to it, you can become a skipper, too. Give it a try, take the tiller in your hand and helm the boat. What better place to learn than at a camp on the water? The Academy will include Small Boat Sailing, Windsurfing, and introduction to Keelboat Sailing. You will build great friendships, participate in fun after-sail activities and become a real "Sea Dog".

The 2019 Sailing Academy will be held @ the Abilene Sailing Association on Lake Ft. Phantom Hill, North of Abilene Texas.

However, you set your goals for this exciting water sport, you will be encouraged to push the envelope as you build confidence in your skills and judgment as well as respect for the forces of wind and water.
